

Guerilla Educators Best Practices Professional Development Pedagogy Practice Planning Projects

Through the prism of our **12 Hallmarks of Effective Teaching and Learning** our presenters focus on giving participants the tools to create a Best Practices environment with their students and to implement Project Based methodologies to help improve educational and civic student outcomes. Our 2 Day training is hands-on, interactive, and customized to effectively address your specific educational needs.

The Hallmarks:

- **Fun**
- **Project Based Learning**
- **Ownership**
- **Engagement**
- **Cooperative Teaching and Learning**
- **Citizenship**
- **Mastery of Curriculum**
- **Higher Order Thinking Skills**
- **Technology**
- **Leadership**
- **Personal Responsibility**
- **The Teachable Moment**

Post PD, we provide ongoing follow-up implementation support throughout the school year.
